**AMENDMENT OF TARIFF OF CHARGES FOR  
2021/22:  
LIBRARY AND INFORMATION SERVICES;  
ARTS, CULTURE AND HERITAGE SERVICES;  
SPORT FACILITIES, RECREATION  
CENTRES AND SWIMMING POOLS.****1. STRATEGIC THRUST**

An inclusive society with enhanced quality of life that provides meaningful redress through pro-poor development.

**2. OBJECTIVE**

To obtain approval for the amendment of Tariff of Charges for Community Development: Library and Information Services; Museums, Arts, Culture and Heritage Services and Sport Facilities, Recreation Centres and Swimming Pools for the 2021/22 financial year.

**3. BACKGROUND**

During the 2020/21 financial year, Community Development Finance together with Sport and Recreation; Arts, Culture and Heritage and Library Information Services undertook the exercise to review the current tariffs and standardise certain tariffs across all directorates while implementing uniformity in the hiring of its facilities. Where tariffs remained unchanged, the parameters for the increases for the next three financial years from 2021 to 2024 of 4.3%, 4.4% and 4.5% respectively have been applied.

**4. HIRING OF COMMUNITY DEVELOPMENT FACILITIES**

The general conditions of hire and the booking procedures have been applied to all Community Development facilities. To increase access to all facilities, free utilization of facilities in line with programmes is included in the tariff structure.

Where facilities are in reasonable condition, a "user pay policy" is implemented. Tariffs vary from region to region as well as directorates. Blanket uniformity in the tariff structures cannot be achieved across the City of Johannesburg, due to differences in the socio-economic groups serviced, different target markets, accessibility of services, and size of facilities, previous imbalances and the facility status.

**4.1 General Conditions for reduced fees:****4.1.1 50 % Discount:**

A 50% discount will apply in respect of bookings made by the following groups/organizations. All users and venue hirers will sign a venue hire contract which stipulates the terms and conditions.

- Educational and learning institutions including early childhood development;
- Persons with disabilities (PWDs);
- Registered Political parties and Structures of Civil Society;
- Registered Non-Governmental Organisations;
- Registered Non-Profit Organisations;

## COMMUNITY DEVELOPMENT

---

- Registered Non-Profit Companies;

An official letterhead with company name and registration number must accompany all applications for 50% discount.

### 4.1.2 Free usage

- a) Free usage of facilities during the off-peak periods (8:00 till 13:00) is introduced in the tariff structure to encourage unemployed youth and senior citizens to make use of City facilities in a structured fashion;
- b) Development Groups: Group that is initiated by the Directorates or in partnership with a NGO or other stakeholders;
- c) All council related functions / business and meetings (request signed by the head of department);
- d) Memorial Services of Council Employees and Councillors on recommendation of the relevant Executive Head of Department (employees) and Speaker of Council (councillors);
- e) Community Forum Meetings (eg. CPF);
- f) Priority codes that have signed an agreement with the directorate.

All users interested in hiring any of the Community Development facilities regardless of whether they qualify for free usage or a discount are required to fill in all relevant venue hire contracts.

### In respect of the above the following conditions will apply:

- Responsibilities in cases of damage or breakages and cleaning will be borne by the responsible person in the department or organization using the facility;
- Where free usage is applicable, a usage contract should be completed;
- The Culture and Recreation by-laws should be strictly adhered to;
- This tariff report allows the Director: Sport and Recreation, Arts, Culture and Heritage and Library Information Services to waive tariffs for special designated groups;
- The tariff schedule should be read in conjunction with the main report;
- Facilities are hired voetstoots.

### 4.1.3 GENERAL RULES

- The duration of a full hire period is equal to 8 hours;
- Usage of a venue up to 4 hours is 50% of the tariff;
- Hire of a venue is related to the space and not according to the type of function. It is informed by the venue and period of use;

## COMMUNITY DEVELOPMENT

---

- Set-up and Break up tariffs: First 2 hours will be no charge, 2 to 4 hours is 50% of the tariff and 5 hours and more the full tariff will apply;
- Kitchen usage is free of charge, except where a separate fee is stated;
- The waiving of tariffs does not necessarily imply the waiving of the deposit. This is in terms of managing risk. The responsible directors have the discretionary power to increase the amount of refundable deposit depending on the risk of the function/event.
- Refundable deposit is charged according to the risk of the function. High risk is equal to 100% of facility hire. Medium risk is equal to 50% of facility hire. Low risk is equal to 25% of facility hire. Risk will be determined by the facility manager based on the function;
- Hourly / session rates are proportionate to the hall hire fee.

## 5. LIBRARIES AND INFORMATION SERVICES

### 5.1 Charges in General

In terms of the Policy on the Management of Resources and Facilities of Library and Information Services as approved by Council, Library and Information Services (LIS) provides free basic library services to all who work, study and live (residents) in the City of Johannesburg as well as free access to electronic services to all, to increase access to library resources/information.

Charges are raised for value-added services that address the needs of only a limited number of users (e.g. borrowing audio-visual material, orchestral music, bulk vocal scores) or for customized information packages and literacy services to small businesses. Other charges in the schedule relate to compensation for abuse of privileges, loss or damage to library resources, hiring of auditoriums or meeting rooms and photographing of library material or filming and photographing on library premises for commercial gain.

Although LIS follows the budget parameters for the increases, the following methodology is applied as well:

- Every financial year LIS review tariffs and gives consideration to the input, comments, queries and suggestions from library users, community members and frontline staff at facilities.
- LIS compares charges with the tariffs of neighbouring municipalities/metropolitans and fees charged by the Post Office and other commercial shops for photocopying and printing, etcetera.

The tariffs, therefore, for 2021/22 are based on the above considerations as well as the budget parameters which have been set at 4.3%, 4.4% and 4.5% for the 2021/22, 2022/23 and 2023/24 financial years respectively.

**COMMUNITY DEVELOPMENT**

---

**5.2 Basic Services and Tariffs**

With the exception of non-residents and visitors, access to basic services will remain free of charge.

Basic services include:

- a. Adult residents (including students and senior citizens) are able to borrow a maximum of four (4) books/single music scores;
- b. Children and young adults (teenagers) are able to borrow a maximum of three (3) books;
- c. Organisations, except for profit or commercial organisations are able to borrow up to a maximum of ten (10) books/single scores;
- d. Schools may receive block loans of between ten (10) and thirty (30) books per class;
- e. The homebound may receive twenty (20) books at a time;
- f. Old Age Homes and literacy organisations may receive book deposit loans according to need;
- g. As part of the LIS eLearning programme, electronic services membership is free and open to all citizens of and visitors to the City of Johannesburg.

**5.3 Value Added Tariffs**

Annual user charges apply for the following value-added services:

- a. If a member (adults, senior citizens, students, children and young adults) wishes to borrow up to a maximum of two additional books/single music scores more than the prescribed maximum;
- b. If a member or organisation wishes to borrow items from the student collections or audio-visual items, orchestral music and bulk vocal scores. An additional handling fee per orchestral set and bulk vocal scores will be charged;
- c. Customized information packages, for example for researchers, travel information packages are prepared on request for individuals. Previously charged at an hourly rate, this will be changed to a flat fee based on the level and depth of the information required. Two types of packages will be available, namely the Standard Research package, charged at R100.00 where a basic compilation of information is required and an Advanced Research package, charged at R300.00 for compilation of information from the specialist collections or which requires tracking information from multiple sources.
- d. Literacy services for small businesses (less than twenty employees) requiring computer-based literacy services where charges are determined per learner and in terms of training hours needed by the learner to pass the relevant examinations. A sliding scale of charges in relation to the number and literacy level of enrolled learners per company is applicable.

### 5.4 Exclusion from increases

It is proposed that the increases of 4.3%, 4.4% and 4.5% for the 2021/22, 2022/23 and 2023/24 financial years respectively not be applied to:

- a. Reservations per title: A reduction of this tariff to R10.00 due to the automation of this service, which requires reduced staff time to process the reservations.
- b. Audio-visual items: Due to the technical obsolescence of some audio-visual equipment (e.g. tape cassette players, record players and video cassette players), Library and Information Services no longer purchases tape cassettes, records and videocassettes. Should any existing items of these formats be damaged or lost, they will be replaced with an equivalent item in a CD or DVD format. Similarly, the replacement cost for audio books will be more than the stipulated recommended increases as audio books previously acquired on tape cassettes will be replaced with an equivalent item in a CD or DVD format;
- c. Reference books: If the value of the reference items in the Johannesburg City Library Special Collections is greater than the proposed replacement cost for general reference items, it is recommended that the replacement tariff of these items be equivalent to the value of a replacement copy of that item;

### 5.5 Additions to the Schedule of tariffs

The schedule has been amended to include "Scanned documents", where a document is scanned using the Library photocopier / document scanner on to a memory device supplied by the user. There is no charge for this service.

In line with the tariffs of the Sports and Recreation Directorate, LIS will implement a refundable deposit tariff for the hiring of Auditoriums/Theatres and Lecture/Training Rooms, in addition to the current non-refundable venue hire charge.

A non-refundable tariff for the hiring of Audio-visual equipment in the Auditoriums/Theatres and Lecture/Training Rooms will be introduced in addition to the refundable deposit, which has been adjusted to allow for the new non-refundable tariff.

Development projects have been included under Hiring of Library Space for Exhibitions. There will be no charge for the category and will include exhibitions by emerging artists, student exhibitions, etc.

Additional wording, based on the approved Policy on the Management of Resources and Facilities of Library and Information Services, has been included in some of the tariff descriptions for clarity and ease of reference, e.g.

- Definitions added under Membership Charges for Residents, Non-residents and Visitors
- Inclusion of the wording "per book" under Membership charges for Visitors
- Loan quotas and applicable membership categories are included for Value-added services
- Permitted usage, restrictions to usage and duration allowed have been included under "Hiring of Library Space for Educational filming and photography" and "Use of Library Space for non-commercial filming".

## COMMUNITY DEVELOPMENT

---

In cases where a library service was not applicable or has become redundant (has not been offered for a number of years) or where the service is already included in another tariff section, the schedule has been amended to accommodate these changes, i.e.:

- Removal of section for Facsimile charges as these services has not been available since 2017/18.
- Removal of Single book membership as this service is redundant
- Removal of Non-residents and Visitors sections under Audio-visual materials as these value-added services are not applicable to them
- Removal of section for Study Material as these are offered free as part of the general library collections
- Removal of Lost Library membership pockets as these have been replaced by the tariff for Lost Membership cards
- Removal of Section relating to Hiring of Multimedia Library space as these services are incorporated in the sections covering Hiring of Activity rooms / Library Space; Hiring of Auditorium / Theatre and Hiring of Lecture/Training Room

### 5.6 Tariffs for facilities at Johannesburg City Library and Sandton Library

The facilities for public use available at the Johannesburg City and the Sandton Library are different from those available at other library facilities, e.g. auditoriums are available and not just activity rooms. The tariffs for these public use facilities are therefore reflected separately in the Schedule of Charges.

It is proposed that the Library Information Services tariffs as reflected in "Annexure A & B" be implemented as from 01 July 2021.

## 6. SPORT, RECREATION AND SWIMMING POOLS

The tariffs for 2021/22 are based on the budget parameters which have been set at 4.3%, 4.4% and 4.5% for the 2021/22, 2022/23 and 2023/24 financial years respectively.

The general rules regarding the hiring of the facilities are outline in paragraph 4 above. New Sport and Recreation facilities that would become operational during the 2021/22 financial year where no tariffs have been included would utilise tariffs of facilities that are similar in nature, size and serve a similar demographic population.

## COMMUNITY DEVELOPMENT

**7. ARTS, CULTURE AND HERITAGE**

The Directorate of Arts, Culture and Heritage manages amenities in the form of arts centers and museums that supply tangible and intangible services to the public for a charge. Charges are made for these diverse services in the form of fees for: entrance, hire of equipment and facilities, filming, supply of images of objects, postcards, posters, publications and other printed matters as well as faxes and photocopies.

The arts, culture and heritage facilities are located primarily in Regions D, F and C. They are:

### Arts and Culture

Mofolo Cultural Bowl, Mofolo Art Centre, Oppenheimer Tower, Uncle Tom's Community Centre and Bapedi Art Centre.

#### 7.1 PROBLEM STATEMENT

Communities constantly request the use of the facilities for church services and night vigils. These requests cannot be accommodated and are therefore excluded as services that can be rendered in the arts, culture and heritage facilities. The reasons are that church bookings are continuous and would in practice exclude other community requests or needs falling on Sundays. The night vigils are not manageable as facility managers are not in a position to work overnight and this would also require security back up that would be costly for the city.

A review of the tariffs was undertaken in the 2020/21 financial year taking into consideration several factors such as the locality of a facility, socio economic conditions as well as the prevailing condition of the facilities. In a number of cases, the tariffs may have been kept unchanged or lowered depending on the above factors. The tariffs for Hector Pieterse Museum have been amended by splitting the entrance fee into 2 categories namely Local and International. The entrance fee for local users was reduced while the entrance fee for international tourists was increased.

The tariffs for 2021/22 are based on the above considerations as well as the budget parameters which have been set at 4.3%, 4.4% and 4.5% for the 2021/22, 2022/23 and 2023/24 financial years respectively. It is proposed that the Arts, Culture and Heritage tariffs as reflected in "Annexure D" be implemented as from 01 July 2021.

#### 8. POLICY IMPLICATIONS

The proposed increase is in line with the City of Johannesburg's guiding principles on the determination of tariffs in that tariffs should be equitable and affordable.

#### 9. CONSTITUTIONAL AND LEGAL IMPLICATIONS

Section 74(3) of the Municipal Systems Act allows for the differentiation between different categories of users, debtors, service providers, services, service standards, geographical areas and other matters for tariff purposes as long as the differentiation does not amount to unfair discrimination;

The City of Johannesburg is authorised in terms of Section 11(3) (i) and 75A (1) and (2) of the Local Government: Municipal Systems Act, 2000 read with Section 24 (2) (C) (ii) of the Local Government: Municipal Finance Management Act, 2003, to levy and amend tariffs of charges in respect of any function or service of the municipality. It should though be kept in mind that by virtue of Section 28 (6) of the Local Government: Municipal Finance Management Act, 2003 (Act 56 of 2003) once the new tariffs have been determined in respect of the 2021/22 Financial Year, it may not be further increased during that financial year, except when required in terms of a financial recovery plan as contemplated in the Act. For that reason it is essential to

**COMMUNITY DEVELOPMENT**

---

ensure that the proposed increases comply with the budgeted needs of the Council in respect of the 2021/22 Financial Year.

**10. FINANCIAL IMPLICATIONS**

The tariffs for the Library and Information Services, Sport and Recreation as well as Arts, Culture and Heritage for 2021/22 must be increased by approximately 4.3% vat inclusive, with a few motivated exceptions. Community Development Finance supports the amendments.

**11. ECONOMIC IMPLICATIONS**

Improving the socio-economic conditions of the communities within the City through sport, recreation, arts, culture, heritage and learning while increasing the income of the City through revenue collection by providing these services.

**12. COMMUNICATIONS IMPLICATIONS**

The relevant information regarding the amended tariffs will be communicated to all stakeholders in the manner prescribed by law.

**13. OTHER DEPARTMENTS/BODIES CONSULTED**

- Budget Office.
- Group Legal and Compliance Contracts
- Financial Compliance
- Users of the facilities

**IT IS RECOMMENDED**

1. That, in terms of Sections 11(3)(i) and 75A(1) and (2) of the Local Government: Municipal Systems Act 2000, (Act 32 of 2000) as amended, read with Section 16(2) (c)(ii) of the Local Government: Municipal Finance Management Act, 2003 (Act 56 of 2003), the City of Johannesburg declares its intention to amend with effect from 01 July 2021 its Tariff of Charges (Vat Inclusive) for;
  - Library and Information Services as set out in Annexure A and B;
  - Sport Facilities, Recreation Centres and Swimming Pools as set out in Annexure C;
  - Arts, Culture and Heritage Services as set out in Annexure D.
