# City's new Banking Partner Standard Bank FREQUENTLY ASKED QUESTIONS

#### What does this mean?

The City's bank account number has changed. The City of Johannesburg has awarded the new banking tender to Standard Bank South Africa.

#### What are the benefits of the change?

In line with the Cities objectives, Standard bank has committed to partnering with the City in:

- Driving efficiency and sustainability
- Optimising revenue collection
- Optimally managing cash flows both for operational and capital budgets
- Effectively managing transformation; and
- Ensuring service delivery.

#### What are the new banking details?

For security reasons banking details will not be supplied by the City of Johannesburg. There are however, various processes for payment via a Standard Bank branch, ATM payments, cell phone banking, internet banking, telephone banking etc. which is outlined further in this document.

#### What is the process to make a payment at a Standard Bank branch?

A unique beneficiary number has been allocated to The City of Johannesburg for Standard Bank branch deposits.

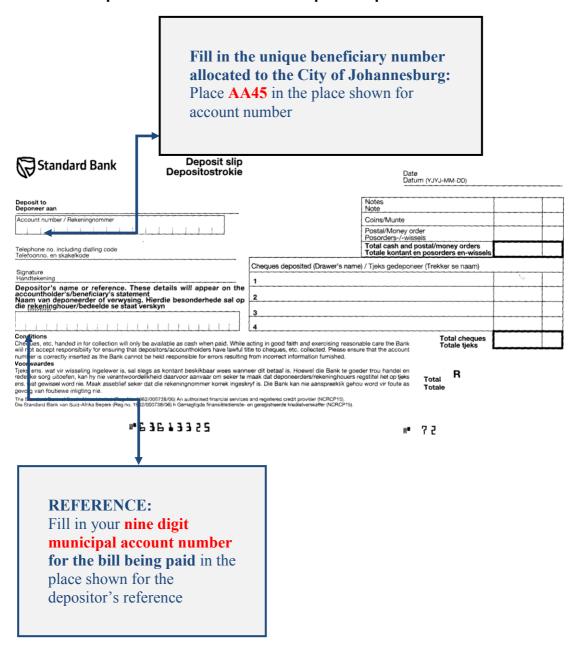

Kindly use the **AA45** as the beneficiary account number (see deposit slip).

The statement reference will be your "9 digit municipal account number" for the bill being paid.

The banking systems are configured to do a modulus validation of the customer reference to assist with ensuring that we are able to allocate your payment to your account with the City of Johannesburg.

No banking details will be supplied; this is to ensure that no private beneficiary details are linked for City of Johannesburg.

#### How to complete the Standard Bank Deposit slip?

#### What is my unique customer reference number?

Your nine (9) digit municipal account number must be used as your unique customer reference number.

## What is the process for ATM payments/telephone banking?

Kindly arrange for your bank to link the pre-approved beneficiary details they have on their banking system for City of Johannesburg to your card that will be used to access ATM and Telephone banking services.

The beneficiary reference will be your unique customer reference number (9 digit account number) for the bill being paid. The banking systems are configured to do a modulus validation of the customer reference to assist with ensuring that we are able to allocate your payment.

No banking details will be supplied; the banking details for City of Johannesburg are registered with your bank. This is to ensure that no private beneficiary details are linked for City of Johannesburg.

#### What is the process if I choose to pay via Internet?

We request that any current beneficiary details you have linked on Internet Banking for City of Johannesburg be deleted and only the City of Johannesburg Company Beneficiary details supplied by your Bank's internet banking system must be used.

The beneficiary reference will be your unique "customer reference number" (9 digit account number) for the bill being paid.

No private banking details for the City of Johannesburg will be supplied – only the Pre-approved Company beneficiary details on your Bank's internet system is to be used.

#### What is the effective date for this change?

1 November 2012

#### How does this affect me?

If you currently use Internet, Telephone or ATM banking to pay your Municipal account, you will need to RE-REGISTER your payment details at your respective bank.

Over the counter payments must be accompanied by your latest Municipal statement as reference.

# Where can I pay?

Payments can be made at any Customer Service Centre listed below as well as City- wide and country-wide Standard Bank Branches.
