## DIRECTOR: SPATIAL TRANSFORMATION PROJECTS

<b>Department:</b>	Development Planning
<b>Branch:</b>	<b>Corporate Geo Informatics</b>
<b>Designation:</b>	<b>Director: Spatial Transformation Projects</b>
<b>Remuneration:</b>	R71 274.46 pm (basic salary, excluding benefits)
<b>Location:</b>	Metropolitan Centre, 158 Civic Boulevard, Braamfontein)

### Minimum Requirements:

- Grade 12/equivalent NQF level 4 plus Degree in built environment or other such as, town and regional planning, architecture, engineering, quantity surveying, programme and/or project management, infrastructure finance. (NQF Level 7);
- 10 years relevant experience within the public/private sector, of which 5 years should be at Middle/Senior Management level, working and collaborating complex multidisciplinary technical programmes and projects, including budget preparation, project management, funding acquisition and lobbying.;
- Minimum of Code 8 Driver's License.

### Primary Function:

**The Unit Head: Spatial Transformation Projects will oversee programme and project management and contract administration of selected Spatial Projects within the department of Development Planning. The purpose is to manage complex and multi-disciplinary programme and projects from inception to implementation and close-out. Additionally, the purpose is to identify new spatial projects, engage with domestic and international funding agencies, spheres of government, agencies, and the private sector to secure and implement spatial projects. One of the key projects current underway includes the Development Bank of Southern Africa (DBSA); United Nations Environment Programme (UNEP) and Global Environment Facility (GEF) funding co-operation by actively driving the technical, administration, contractual, financial framework, and closeout. This includes the daily responsibility to manage, coordinate and supervise the implementation of the programme to ensure delivery of results in accordance with the signed agreement and agreed work plans. The incumbent will provide strategic programme and project management for key additional projects:**

- **The Lanseria SMART City Project**
- **The Frankenwald Development Project**
- **Catalytic Projects identified by the department and the City**

**The position will oversee and direct these programmes and will provide overall technical, tactical, and operational management for the successful execution and implementation of the projects.**
